## Opening Summer 2002

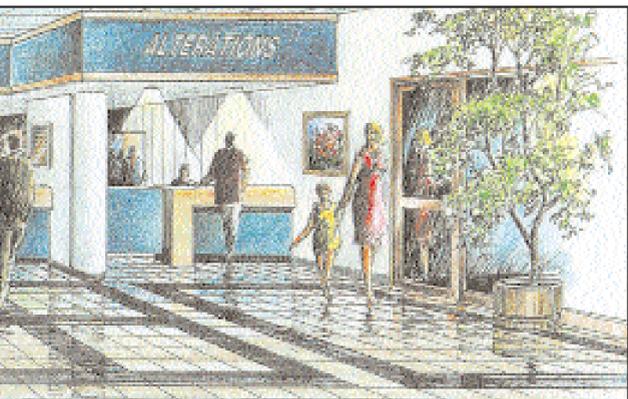

change in the world and the largest commissary in Hawaii. The new Exchange will be on the left and the new Commissary will be on the right separated by a large, cylindrical entrance pavilion.

with an additional 6,000 square feet of indoor seating and 5,700 Pearl Harbor. The food court will host all of the restaurants present in the area.

for U. S. military community facilities anywhere in the world. It will feature escalators. A mural by Wyland, the world-renowned marine artist, will be on the level surrounded by Hawaiian plants and flowers.

Specialty shops like the Laundry and Dry Cleaning Shop pictured in the rendering, along with a Frame Shop, Flower Shop, Mail Boxes Etc., Optical Shop, Package

The produce department in the new Commissary will feature bold, modern graphics with an upscale farmer's market feel.

In the new Commissary, signs in colors of soft purple, green and gold will clearly mark each department.
